## Jayne-Anne Power chosen to open the Clipsal 500 Adelaide Concert Stage for Wynter Gordon and The Potbelleez on Friday March 2.

Music SA has partnered with the SA Motor Sport Board to present **Bands On Track** - a feast of South Australian live music over 4 days and nights as part of the Adelaide Casino Live Large Concert Series at the Clipsal 500 Adelaide in March 2012.

Music SA has chosen 15 SA bands to compete for an opportunity to perform alongside Australia's best live acts, opening the Clipsal 500 Concert Stage on Friday March 2, Saturday March 3 or Sunday March 4. Shows are being held at Fowler's Live January 12, 19, and 25 to determine the winning acts. Each night, a group of industry professionals will select a band for the gig of a lifetime - performing to an audience of thousands with full concert production, backstage rider, and guest tickets thanks to Clipsal 500 Adelaide.

**Last night The Sun & The Sky, The Belle-Phonics, Squeaker, Jayne-Anne Power and Mase 'N Mattic competed to open the stage for Wynter Gordon and The Potbelleez on Friday March 2.**

Music SA is pleased to announce that the artist selected to open the Clipsal 500 Adelaide Concert Stage for Wynter Gordon and The Potbelleez on Friday March 2 is **Jayne-Anne Power**.

**Music SA General Manager Daniel Randell** said "Music SA was proud to host the very first Bands On Track final at Fowler's Live last night, where five worthy finalists played their hearts out for the chance to perform on the Clipsal 500 Adelaide Concert Stage with Wynter Gordon and The Potbelleez on Friday March 2. It was a really great show and we thank everyone that came out to support the bands. Congratulations to Jayne-Anne!"

**Jayne-Anne Power** said "It's unbelievably exciting to be chosen for this gig, and we're really grateful for the opportunity to perform with such high profile Australian artists. We're really gonna bring it!"

**NEXT WEEK - Thursday 19 January**

**Second final at Fowler's Live featuring Lyla, Raider, The Rules, Heston Drop, and Dexter Jones competing for the opportunity to open the Clipsal 500 Concert Stage for INXS!**
