2012 Clipsal 500 Adelaide

The line-up at the **Adelaide Casino Live Large Concert Series** at this year's Clipsal 500 Adelaide has received another huge boost with today's announcement that **Good Charlotte** will be performing on the Sunday evening 4 March.

'We are "The Race That Rocks" and the inclusion of **Good Charlotte** not only backs that up, but provides another great reason for race and concert fans to attend Australia's largest and best motor sport carnival, Clipsal 500 Adelaide Chief Executive Mark Warren said.

Cont

**Good Charlotte** was formed in 1996 in Waldorf Maryland USA, and since 1998 the band's constant members have been lead vocalist Joel Madden, lead guitarist and back-up vocalist and twin brother Benji Madden, bass guitarist Paul Thomas and rhythm guitarist and keyboardist Billy Martin. The latest drummer and percussionist is Dean Butterworth who has been a member of the band since 2005.

**Joel Madden said: - "The band are pumped to be invited to perform exclusively at the Clipsal 500 Sunday concert with our mates The Living End plus Sneaky Sound System and Spiderbait. We love the V8 Supercars and can't wait to be trackside. Good Charlotte are going to put on one hell of a show so see you there"**

**Good Charlotte** has released five studio albums: **Good Charlotte** (2000), **The Young and the Hopeless** (2002), **The Chronicles of Life and Death** (2004), **Good Morning Revival** (2007), and **Cardiology** (2010) as well as two compilations **Greatest Remixes** (2008) and **Greatest Hits** (2010).

**The Young and the Hopeless** album thrust the band into mainstream popularity with sales reaching a massive 4.9 million and the single **Lifestyles of the Rich and Famous** topping both pop and rock charts around the globe.

Album number three, **The Chronicles of Life and Death** sold 2.2 million copies and produced hits **Predictable** and **I just Wanna Live**.

**Good Morning Revival** debuted in the top 10 of thirteen countries worldwide including the U.S., giving the band some of its highest international chart positions, and went on to sell 4.5 million copies.

**Cardiology** is an album that reconciles all the influences of the band with standout songs including **Silver Screen Romance**, **Sex On The Radio**, and party anthems – **Like It's Her Birthday** and **Last Night**.

**Good Charlotte's** total sales top 10 million records to date.

Sunday night's **Adelaide Casino Live Large Concert Series** gig presented by **Mix 102.3** is the 'show-stopper' finale of the largest ever music line-up presented at the Clipsal 500 Adelaide with **Good Charlotte** being joined on stage by **The Living End**, **Sneaky Sound System**, and **Spiderbait**.

Attendance at the concert is free to all valid Clipsal 500 Adelaide ticket holders for the day.
