## Dexter Jones chosen to open the Clipsal 500 Adelaide Concert Stage for INXS on Saturday March 3

Music SA has partnered with the SA Motor Sport Board to present Bands On Track - a feast of South Australian live music over 4 days and nights as part of the Adelaide Casino Live Large Concert Series at the Clipsal 500 Adelaide in March 2012.

Music SA has chosen 15 SA bands to compete for an opportunity to perform alongside Australia's best live acts, opening the Clipsal 500 Concert Stage on Friday March 2, Saturday March 3 or Sunday March 4. Shows are being held at Fowler's Live January 12, 19, and 25 to determine the winning acts. Each night, a group of industry professionals will select a band for the gig of a lifetime - performing to an audience

of thousands with full concert production, backstage rider, and guest tickets thanks to Clipsal 500 Adelaide.

**Last night Lyla, Dexter Jones, Raider, Heston Drop and The Rules competed to open the stage for INXS on Saturday March 3.**

Music SA announced that the artist selected to open the Clipsal 500 Adelaide Concert Stage for INXS on Saturday March 3 is Dexter Jones.

**Music SA General Manager Daniel Randell** said "Music SA was extremely proud to host the second Bands On Track final at Fowler's Live last night.
