MURRAY WALKER'S EXTREME MACHINES – THE ULTIMATE CAR SHOW IS FREE FOR ALL 2010 CLIPSAL 500 TICKET HOLDERS

It's the most exotic motor show in the country and for the 2010 Clipsal 500 Adelaide, Murray Walker's Extreme Machines again presents the best and latest in automobile exotica.

'To see the cars assembled in the Murray Walker's Extreme Machines exhibit you would normally have to visit some of the great motor shows of Europe, but we have them at the event as a huge bonus attraction for all Clipsal 500 Adelaide ticketholders', Event Chief Executive Jason Allen says.

In addition to the static display open on all four days of the event, the Murray Walker's Extreme Machines will also be demonstrated on the circuit daily.

'There is no-where other than the Clipsal 500 Adelaide where you can see and hear the world's fastest and most expensive road cars perform as well as see them up close', Jason Allen added.

Mr. Allen said that Murray Walker would again attend the event in person and that he would visit the exhibit during the four days thus presenting motoring enthusiasts with some great photo and autograph opportunities.

The full list of cars to be displayed in the Murray Walker Extreme Machines exhibit is still to be decided, but already such vehicles as the Ferrari California, a brand new model Lamborghini, and the latest Ford Mustang and Chevrolet Corvette examples are locked in.

The Murray Walker's Extreme Machines exhibit is located just inside Gate 1 of the circuit off Halifax Street and is free of charge to all corporate, grandstand, and trackside ticket holders.

The 2010 Clipsal 500 Adelaide will be held from March 11-14 as round three of the V8 Supercar Championship Series.

Tickets to the event are available from Ticketek on phone 132-849, or online at ticketek.com.au.
